

Hello Western and National qualifying coaches.

Congratulations on qualifying your athletes to these meets. As most of you know it is extremely important that we as a region look the part at these meets. Region IV is very happy to provide our coaches with attire to wear at these events. Please follow the dress code as listed on the attached sheets.

If you have any questions please contact me at bryon@tagsgym.com or the numbers below. I will be staying at the Courtyard by Marriott downtown in Spokane and the Springhill Suites in Cincinnati.

All attire will be available for pick up on Training day. If you cannot be there for training day, you must make arrangements to pick up your apparel from Don Houlton/Bryon Hough at the meet site or have someone get it for you.

Athletes at Westerns will pick up their GK apparel at the GK booth at the competition site on training day. They will need to bring their club leo for training day. The tank leo provided by GK is for competition. GK is also providing a warm up suit for march in.

Athletes at Level 10 Nationals will pick up their GK apparel at the GK booth at the competition site on training day. They will wear the region 4 tank leo for training day. The tank leo will be available to pick up from the region with the coaches attire. The long sleeve leo provided by GK is for competition. GK is also providing a warm up suit for march in.

ALSO REMEMBER THAT COACHES WITH LEVEL 9'S AND 10'S NEED TO BRING THEIR CLOTHING TO LEVEL JO NATIONALS. YOU WILL NOT BE RECEIVING DUPLICATE ATTIRE.

We will be including a copy of your order form with your attire in case there are any questions as to size. Thanks for your attention to these details and good luck!

Bryon Hough - Region IV Capital Development Director/Apparel Coordinator
